

In the neighborhoods of Ejército de los Andes (Fuerte Apache) and Villas 21-24, the photo-training workshops of our young students will conclude with their Urban Voices exhibition as part of the Bienalsur. The workshops that were run by the non profit organization Reza Visual Academy in partnership with Webistan and the support of Untref, took place over several months.

Stay tuned if you are in Buenos Aires- 11 am Sunday, 17th, Fuerza Aera place to discover the incredible work of the youths through their exhibition URBAN VOICES, as part of Biennial Sur. Photographer Reza will exhibit also beside his students.
