

WE CARE ABOUT YOU

Stay in Touch

New European Data Policy General Data Protection Regulation (GDPR)

Dear friends,

We are pleased that you have shown interest in the photographic and humanitarian activities of Reza photographer. Those initiatives are sent by Webistan Photo Agency or the non profit organisation Reza's Visual Academy. Some announcements are sent to you by by Reza himself.

New data protection legislation (GDPR), will be implemented in some countries on May 25, 2018. It aims to provide greater transparency on the use of data that concerns you. we would like to inform you that we use your contact information only to send you information about our activities. We do not give any data to third parties, and you guarantee a total confidentiality in the treatment of your data.

If you wish to continue receiving our newsletters, no action is required on your part
